

2022 NH Treatment Court Conference

September 21st and September 22nd

Grand Summit Hotel at Attitash

Bartlett, NH

The NH Treatment Court Conference features two-days of educational sessions that inspire, provoke, and precipitate discussion about issues facing NH's treatment courts and the people they serve.

The 2022 event featured

- A variety of educational sessions offered by nationally and locally recognized presenters
- Two national expert keynote presenters
- An educational dinner and comedian sharing his lived experience
- Face to face and virtual networking opportunities including a trivia night, contests and raffles
- An exhibit hall with various vendors and community support organizations

Comments from 2022 Participants

"Great conference, loved being able to network and build connections."

"Great job! I plan to attend next year. Thanks to all who coordinated this event and for the speakers."

"Terrific presentations! Great keynote speakers!"

Are you going to do anything differently after attending this conference?

"Yes, I feel as though I have such a greater understanding now of why so many things are done in the drug court setting. I will be able to help my peers now with the knowledge I have gained from this conference."

"I am going to reevaluate our court's use of incentives/sanctions, including reminding our team of the importance of being specific in their use."

"My approach to case management, the participants, my team members and the overall program will be affected by these past two days."
